Now in its 19th year, the Telstra Perth Fashion Festival is WA's premier and largest fashion festival delivering to an audience of upwards of 45,000 people.

Currently TPF are looking for volunteers in two important and exciting areas: **Front of House** and **Back of House**. Volunteers gain first hand experience, skills development, a sense of community and achievement.

To volunteer please read through this document and send requested details to:

volunteer@perthfashionfestival.com.au

Applications extended to Wednesday 23 August 2017.

ABOUT THE VOLUNTEER PROGRAM

Often deemed to be the most visible face of the Festival, our Volunteer team is an integral part of what makes this event such a success.

Those volunteers working Front of House are often the first point of contact that the general public, and indeed our VIP guests, have with the Festival and therefore it is important to realise that you are all official representatives of TPF and have the ability to make an incredible first impression.

Volunteers will have the opportunity to see and experience firsthand how an event of this magnitude comes together, right down to the last second. On behalf of The Telstra Perth Fashion Festival team, we would like to welcome you along for the ride!
